

## Writing in Code

Noah John Rondeau recorded the daily events of his life in a series of diaries, many of them in secret code. A secret code uses pictures or other symbols to represent letters of the alphabet or complete words. Messages written in code can be understood only if the reader has the "key" to the code - if he or she knows what each of the symbols stands for.

Below is an example of a symbolic code.

A	B	C	D	E	F	G	H	I
•	•	•	○	⊙		∩	↗	□
J	K	L	M	N	O	P	Q	R
+	∩		↑	::	△		∞	=
S	T	U	V	W	X	Y	Z	
↖	X	—	△	↓	W	≡	∞	

Use this code to find out what Noah John Rondeau was known as:

— — — — —  
 • ○ □ = △ :: ○ • ∴ ∩

— — — — —  
 ↗ ⊙ = ↑ □ X

Use this code to write coded messages to friends or create your own code!
